End of month + 30 days

Remarks : Could you please mention the following on our TEE TRANSPORT ORDER SUBCONTRACTING:

\* Because of not contesting immediately this transport assignment by fax, you confirm to execute the described transport in present document, following the given specifications. Costs which result from not observing (correctly) the instructions included in this assignment, will be invoiced totally without prior proof of default.

\* You commit yourself for a period of 6 months after the execution of this transport, to not approach the mentioned parties in this mission, either directly or indirectly, nor by means of physical or moral intermediates.

\* All transports are submitted to the stipulations of the Treaty on the agreement of international transport of goods on the road (bill of carriage) of 19/05/1956.  
You commit yourself accordingly to conclude the necessary insurances and to present the necessary documentary evidence by simple request (for your information: the minimum capital carrier liability comes to 300.000,00 EUR in excess per combination and per incident). You commit yourself to fulfill the stipulations of article 14 duodecimo § 1 point e) and to the application stipulations of the Community Customs code.

You see to it that all vehicles are in in good condition and put them through a frequent check-up. By simple request, you present a legal inspection proof of your vehicle/vehicle combination. Breakdowns and other incidents on the vehicles don't do any harm to your liability.  
The stowing of the goods always has to be carried out by your driver; all needed equipment for a correct cargo insurance (for example: straps fixed on the side wall, flexible cross pieces and adjustable cleats, airbags, nonskid regulations, ...) must be aboard your vehicle.

Europallets must be exchanged as well at the loading berth, as on the unloading bay. The exchange of these europallets must be proven through documents. If these europallets aren't changed, these will be invoiced at the rate of 12,50 EUR/europallet. When accepting this transport assignment, you give your permission to deduct the amount of this invoice from the transport costs you invoiced to us.

Waiting hours only must be paid, after written announcement of your contact person, and after his prior written agreement, and to a maximum rate of 30,00 EUR/hour.

\* On receipt of the goods, the consignee has to mention on the bill of carriage at least following
